The ANPL Herb & Spice Club

In this club we pick a different herb or spice each month, give you some history about it, how it's used around the world, and offer a few recipes that feature it. Register on our website at anpl.org by the 10th of the month. Kits are usually ready to go by the 15th.

Visit our website, anpl.org, to find out what's happening at our library, how to view our online catalogue, how to get a library card, what programs are drop-in, how to register for the others, and much more.
