

# Read Around the World Book Club

Take a journey around the world in 12 months! Each month we will pick a different country. You choose a book about that country, set in that country, or by an author from that country (or region).

We will meet on the last Tuesday of each month to chat about our book choices with coffee, tea, and treats related to our country.

Book club meetings will be held on the last Tuesday of each month at 6pm at our Norwood Branch unless otherwise stated on our website or in our newsletter.
